TERMS:.....

The said party of the first part, in consideration of the foregoing agreement and to fill said order does hereby agree to cause to have planted and grown sufficient acreage of seed or roots, as the case may be, as in their judgment will ordinarily produce the quantities of seed of the varieties named herein, provided the season permits the growing of the same, and also all other orders that may be placed with the first party by other persons for seed of the same description; but in the event of short crops and consequent short receipts, orders will be filled pro rata. It is agreed that such quantity or quantities will be accepted by the second party as a complete fulfillment of this contract.

It is further agreed by both parties hereto that said party of the first part gives no warranty, express or implied, as to description, quality, productiveness or any other matter pertaining to the seeds herein contracted for.

In case of loss or destruction of said crops by fire, flood, strikes or other unavoidable cause, it is understood and agreed that the party of the first part is hereby relieved from all liability to fill said order.

Herein is a list of the quantity, quality and price of the seeds herein contracted for.

This contract is not subjected to countermand, unless mutually agreed to by both parties.
